Saranac Tribe kindled its Council fire, on Thursday night, when one application was received and referred to committee. Fleet Foot tribes visits to these hunting grounds are now a thing of the past. They were here forty strong, and when it came to the order of adoption, their team filled the stumps, and adopted four pale faces, and the manner in which the work was put on would be a credit to any tribe in this great reservation. There being a number of Summits Tribe members present, all joined Saranac Tribe in saying it was the best work ever put on. After quenching the Council fire, every chief present took the trail for the Wigwag of Brother Berry, where the Sisters of the Degree of Pocahontas had an elegant supper awaiting the hungry chiefs. Many thanks are due the Sisters for their kindness. After spending an hour of social intercourse with the Canon chiefs, nearly all took the trail for the depot and home, a few remaining until morning. Our warriors and braves have put on the war paint, and are scouting the forest for pale faces, expecting to capture several before the end of this moon. Every chief is expected to be in his stump at the next hunting of the council fire, as there will be plenty and important

business to be transacted.

Miraculous Cure

Dr. Williams' Pink Pills for Pale People

"I had been troubled with rheumatism all my life, even when a boy. It attacked me in the legs, arms and shoulders. The pain in the latter was particularly severe. I, of course, took medicine for it, but did not obtain permanent relief. One day about three years ago while reading a newspaper, I saw an advertisement of Dr. Williams' Pink Pills for Pale People and determined to give them a trial. I had taken but three boxes of the pills when the trouble, which had been my affliction from childhood, entirely disappeared.

"About a year later, I had another attack of rheumatism which was brought on by working in a damp place. I remembered well what Dr. Williams' Pink Pills for Pale People had done for me, so I immediately purchased some. Strangely enough just three boxes again cured me, and I have been entirely free from rheumatism ever since. I have told a number of people about Dr. Williams' Pink Pills for Pale People, and they have taken them with the most beneficial results.
